**BATAAN YOUTH DEVELOPMENT PROFILING
RESULT AND ANALYSIS REPORT**

Overview

- Legal Basis
 - Republic Act 10742, also known as Sangguniang Kabataan Reform Act of 2015, states that one of the functions and duties of the SK (RA 10742 IRR, Rule II, Section 8(i)) is to conduct youth profiling, establish, maintain and update a database of youth in the barangay and ensure submission to the Commission, and proper turn-over to the next set of SK officials.
 - The Department of Interior and Local Governance issued a Memorandum Circular (DILG MC 2022-033) reiterating and instituting the process and template for the conduct of profiling of the Katipunan ng Kabataan and on the establishment, maintenance, updating, and submission of youth database.
- This profiling was developed by the Bataan Youth Development Office through the Bataan Youth Profiling Team, composing of different youth-related agencies within the Provincial Government of Bataan, and was patterned from the KK Profiling Form of the DILG and the targets of the Philippine Youth Development Plan 2017-2022 3 out of 9 centers of participation, namely: health, education, and economic empowerment.
- This profiling focuses on the following: Demographic Information, Health, Education, and Economic Opportunities of the Youth in Bataan.
- The Bataan Youth Development Profiling was designed to:
 - Create an integrated youth profile of Bataan;
 - Analyze the youth's participation to health, education, and economic opportunities;
 - Identify the core issues, concerns, and opportunities being experienced by our youth in order to tailor fit the government's (SK, BYDO, other youth-related agencies) PPAs according to their needs; and
 - Support and contribute to the vision of the province in attaining the top-level Human Development Index (HDI) in the Philippines.
- The profiling was conducted from June 21, where it was launched, to December 5, 2022 with the following targets:

Local Government Unit	100% (estimated)	70% from (100%)
